Our school strategies are showing substantial progress toward our targets

After reviewing our Great Results Guarantee agreement, it is clear that we have made progress toward our targeted student outcomes. We will continue to focus on maximising the benefits of this funding for our students, and adjust our strategies as needed to ensure every student succeeds.

Strategies implemented include:
- the provision of an Extension Teacher one day a fortnight and through the provision of IMPACT Scientific Inquiry program
- Providing information on parenting skills and social development of primary school students
- Supporting teachers to use Early Start test data to inform their teaching and learning
- Increasing funding of a Lower School Learning Support Teacher from two days a week to three days a week to work with students in the Lower School who require targeted and intensive reading intervention.
- Implementing Levelled Literacy Intervention (LLI) program in the early years to improve students whose reading data is below benchmark
- Continuing to fund a Lower School Literacy Coach one day a week to further build teacher capacity to analyse student data to inform future teaching and learning and to deliver Professional Development through workshops and delivery sessions
- Continuing to fund Speech Language Pathologist 1 extra day per week to provide Oral Language focused support programs for identified Prep & Year 1 students with significant speech difficulties.
- Continuing to provide focused explicit teaching of reading in ability groups through the provision of paraprofessionals to support targeted differentiated instruction
- Purchasing Project 600 (online learning) to improve literacy and numeracy outcomes for students in the middle years
- Continuing to fund a before school Reading Club facilitated by paraprofessionals for identified lower school students
- Continuing to provide professional development for paraprofessionals to develop their capacity to work with students to improve reading
Great Results Guarantee

- Purchasing additional PM Benchmark Kits, Minilit resources, Perceptual Motor Skills program, Magic Caterpillar Handwriting program and Reading Comprehension Boxes to support the improvement of Lower School students Literacy.
