WHY CHOOSE OUR SCHOOL?

The best things about Fairview are that we get class rewards and go to the PODS shop for doing good work.

We have fun things like Grandparents day, Under 8’s day and Star Wars day. There are lots of fun things.

You have lots of friends and everyone is nice.

From Year 1

Why Fairview? All kids should come to Fairview Heights because you can have very cool friends like me and Harley and also Sienna. We’ve got a forest, a sports court and also a big oval. There are great teachers and you can get PODS stamps. Every second Wednesday you can spend PODS tokens at the shop. In my class on Friday you can have class rewards. That’s why I like Fairview.

Briana-May Year 2

To the Prospective Parents of outstanding Fairview Heights SS,

Your child/ren need the best in life, so you must enrol them at Fairview Heights State School, a fabulous school with many exciting opportunities, a great friendship system and a behaviour roll called PODS.

Some of the many opportunities include learning German, Years 5 & 6 get to go to Interschool Sports and Camp. Years 4, 5 and 6 all have a chance to be in the annual School Musical as a main character or in the chorus.

As previously mentioned, there is a magnificent friendship system. I can assure you that your child will make friends on their first day. This is one of the best friendship schools in Toowoomba.

At FHSS, we have a behaviour system called PODS. This stands for Practicing Safety, Overall Respect, Demonstrating Learning and Showing Responsibility. There is also PBL Positive Behaviour for Learning.

Here is what our Principal, Mrs Raitelli has to say, “Here at FHSS, we respect all our students and their reading and learning levels. I am absolutely sure that your child will love it here.” So come on, enrol your child at FHSS today. Don’t wait another second! Why should you? There are no negatives about this school.

It has many play areas and 3 sheds.

This primary school takes from Prep-Yr 6. It is located on McDougall Street.

Come on! Enrol today! The phone number is 46 592 888. Pick up the phone, dial the number and make your child’s future the best they will ever have!

Ashlea Yr 5

If you are going to change schools you are probably thinking that your child is not going to have any friends but that is not true because the kids here at Fairview are always accepting of new students no matter what because this school is a bully free zone and we are rewarded for that!

Larz Yr 5

Positive Behaviour is one of the key expectations here at Fairview Heights and we’re proud of it! We have a behaviour system known as PODS. We follow these expectations very seriously, as they follow you for life. P stands for Practising Safety, in like the playground or following rules/emergency precautions. O stands for Overall respect. This means that when talking to teachers/adults/students we talk respectfully. D means demonstrating Learning. This also means that you apply what has been learnt into life’s complication and life itself. And finally S means to be responsible to yourself and others.

Romey Yr 5

You must have your child here because they can have loads of opportunities all through the year. Have a child who is really smart? Why not try our Maths Challenge or Optiminds. Got a child who is really active? Try our School Musical auditions, Interschool Sport, Athletics, Cross Country, Woodwork programmes. Plus we have a Satellite Library full of computers.

David Yr 5
I just love the forest!  
The teachers are so happy, so nice and so kind.  
I need to write another epic story!  

New Yr 1 Student

My old school in NSW was pretty boring and I didn't like it much but I love Fairview & now I skip to school every day!  

Zoe Year 5

My son has only been at Fairview 4 weeks & he has already half-filled his Quick Writes book! He is loving all the writing and fills several pages every day. This is such a great school.  

Mother

Why I like Fairview:   This is an epic school!  

Archie Year 1

• My son is happy and relaxed at Fairview and learning no longer seems a chore.  
• This is such a progressive school.  
• The good kids get rewarded. They love the classroom rewards and shopping at the Pod Shop.  
• With the professionally produced musical, dance classes, exciting daily writing and the Library's colourful reading events, Fairview could easily be considered a School of Excellence in the Arts.  
• I love the focus on the basics, such as number facts, spelling and reading & writing.  
• I love the fact that the oval is open and supervised before school! Kids can use up some energy and connect with friends before class.  
• The Principal & Deputy Principal are close to the students and the relationship is one of warmth.  
• There are many areas for children to play at lunch.  
• The staff genuinely seem to care - about their students and each other.  

A Very Happy Mother

Fairview Heights is the best school in the whole wide world because they have amazing teachers who help you spell words and learn lots of new things.  

Gabriella -1H

Fairview Heights is the best school because the teachers are the best teachers and there is a really cool forest. We learn a lot and the playground and the principal are very nice.  

Maz - 1H

Fairview is the best because you get to play on the fort and learn lots and you get to do quick writes.  

Zander - 1H

The grounds here at FHSS are great. The oval is split up into 4 sections with different year level groups. The forest has a playground, shady trees and possum boxes with possums who live in them. In the sports courts there is sports equipment and basketball hoops. On the Year 6 fort at first break Year 5 and 6’s are allowed to play on it and at second break Year 3 and 4’s can play on it. The teachers at Fairview Heights are very kind and they care about the students.

Year 4/5 Student

PBL stands for Positive Behaviour for Learning. When students do the right thing in class they get their purple POD stamps. After so many stamps they get a class rewards. Then they get their gold POD they get a gold token. You can use the tokens to buy things at the PODS Shop. We like getting TNT Vouchers, gel pens, handballs and cooking lessons.  

Year 4/5 Student
