Tea for Tom - Celebrating courage to inspire hope!

We are holding this in support of Australia's Biggest Morning Tea 2009 and would be thrilled if you would join us.

There'll be plenty of fun, plenty of tea and all money raised will help the Cancer Council continue its research, education, prevention and patient support services to help all those affected by cancer.

'Sharing and celebrating Tom and our family's journey with cancer has helped us to keep moving forward. As we celebrate the courage and bravery of our little boy it inspires hope for the future. We would love you to come and share your memories with us also. Please bring along your favourite and memorable albums to share over a cuppa.'

Address: The Range Christian Fellowship
15 Blake Street, WILSONTON

When: Thursday 28/05/2009 9:30AM - 11:30AM
