The P&C and school partnership

A lot can be achieved through the P&C and school working together towards common goals. To do this we need people from all walks of life who are committed to delivering great outcomes for your children and our school.

The P&C and school partnership is built on trust, respect and shared values. It thrives on open and honest communication relishing the challenges of educating your children in the 21st Century. Everybody has a role to play and your ideas will be heard. The more people involved in our P&C the more exciting and successful it will be.

Great results can be achieved for your children and our school – when we work together.
