The more positive entries... the better our chance of winning!!!

The Kitchen Kart would be a great inspirational addition to our Organic Gardening and Cooking program at school.

Over the past few years we have been gardening and cooking at school and this has been so beneficial for our students. We have been involved in a “Better Homes and Gardens” event, have written cookbooks and our students have had the opportunity to improvise and create recipes relating to the organic produce grown in their own gardens. Many children have started gardening at home, as well.

Earlier this term a boy from last year asked if he could have some rainbow chard from the garden. The next day, he proudly brought me a delicious lunch made with the chard. Last year, he brought tiny rainbow chard plants for the garden, which we let seed. Now they are again supplying our children with healthy vitamins and minerals for strong bones and clever minds.

This year our stove stopped working so we are unable to cook. We can no longer make those beautiful Rainbow Chard and Ricotta pillows, Rhubarb and Apple parcels or Cauliflower and Potato Pies.

Recently, with the support of Junior Landcare, we won a grant for four more garden beds, soil and vegetable plants. The gardens are all planted and growing with beautiful vegetables but we NEED a new large stove to help us inspire our healthy cooks of the future!

Recently we came across the following Competition.

Win a $25,000 Kitchen Kart for your school!

Hurry—entries close @ 5.00pm next Friday 25 September 2015.

Why is it important for children to have access to cooking facilities at their school?

Research shows children who help prepare meals eat significantly more vegetables than those who are not involved in cooking. Get Kids Cooking have partnered with Nestlé Healthy Active Kids and AIS to give parents and carers the opportunity to nominate their child’s school to win a Kitchen Kart valued at $25,000. The winning entry also receives $1000 cash to go towards keeping their family healthy and active!

To enter on behalf of our School, visit the Healthy Active Kids website as per below: https://www.nestle.au.simplicitycrm.com/editors/content.aspx?config=HAK_KCComp_Aug15

The more entries that are entered online the better chance we have of claiming the prize!! Remember entries close @ 5.00pm next Fri 25 September.

***Full terms and conditions and entry form are available on the Nestle Healthy Active Kids Website.***
